Dr. Edie Dopking
Quantum Leap Farm, Inc.
10504 Woodstock Road
Odessa, FL 33556

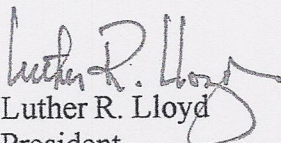

Dear Dr. Dopking:

I want to thank you for taking the time to send me the information I requested. It was extremely useful in presenting a summary of your organization and particularly those endeavors you make on the part of our veterans. It is obvious that Quantum Leap Farms is helping a great many people and it is exciting to see and hear of your many successes.

Our first priority with MOBC financial assistance grants are is to help individuals who meet our eligibility criteria. At the end of the year, should our budgeted funds not have been completely used for individuals, the balance is granted to organizations that serve those in our eligibility group. Since all our funds were not used for individuals this year, it gives our Board of Trustees great pleasure to be able to forward the attached check to you. The completeness of the information you sent us coupled with the realization of the effectiveness of your program was enough to win the day for Quantum Farms.

The Board extends its very best wishes for a Merry Christmas and Happy New Year to you and all those who work so faithfully to serve your clients!

Sincerely,

Luther R. Lloyd
President
