Dear Edie:

On behalf of the Mental Health Intensive Case Management (MHICM) program at the James A. Haley Veterans Hospital and our veteran clients, I want to thank you for the use of your Quantum Leap Farm facility for our Rehabilitation Recovery Event and hosting Victoria Maxwell's Crazy for Life performance on December 4<sup>th</sup>.

Your contribution made our holiday event much more than we have ever hoped for. The cheerfulness of your fine staff; the friendliness of your little goat and other animals; the festive decorations of your beautiful new facility; your outstanding efforts in getting to Carrabba's cater that delicious meal and Kip's electronic services for the music; your enlightenment to the Equine and your therapeutic horseback riding programs. It all added up to a most excellent time being had by all our MHICM program veterans.

The thoughtfulness of community partners, like you at Quantum Leap, is instrumental in helping our veterans on their road to recovery by lifting their spirits. Thank you for your kindness and we look forward to continuing our relationship during the coming new year.

Sincerely,

  
Robert Villavisanis, LMHC  
MHICM Team Leader and  
The entire MHICM Team
