Participant Representative

Dear Friends,

Thank you for considering this opportunity to support Quantum Leap Farm! On **March 3rd**, we are proud to host our largest annual fundraising event, **Stirrup Hope**. Our goal is to have the expenses of this event completely underwritten through generous sponsors like you. If so, every dollar given that evening will enable us to continue providing equine-assisted therapies to 1,500 participants each year.

Our programs serve adults and children with special needs, active, retired or wounded military service members, children with cancer and their families. Your support will benefit combat military veterans like Russell, Sergeant and trumpet player for the U.S. Army. Through participation in our Warrior Mission: At Ease Retreats, Russell has found the strength to overcome the tragedies of war and find peace in his daily life.

Enclosed is our sponsorship packet explaining the different levels and benefits for your participation. As you can see there is great exposure and marketing opportunities which in some cases will continue throughout the year. Website, signage and workshops are just a few of the benefits that are available. Last year, 360 guests attended this event, and this year, we're expecting the same.

Thank you in advance for your collaboration in Quantum Leap Farm's mission to empower people of all ages and abilities to grow strong, achieve therapeutic goals and overcome challenges through equine-assisted therapies.

Warmest regards,

Edie Dopking, PhD
