Stirrup Hope

Dear Stirrup Hope Sponsors,

Endless thanks for your past support, and if you're new to this event, thanks for considering supporting Stirrup Hope – our largest fundraiser of the year! Your sponsorship underwrites innumerable everyday miracles happening here at Quantum Leap Farm.

This year those miracles have been made even more precious by Covid-19's impact – on our clients' mental and physical well-being, on the way we provide our services and on our donors and their capacity to support our mission. Just ask Martina, a beautiful young lady who's back in the saddle after cancer treatment. Or Kim, a veteran living with PTSD and recovering from the loss of a family member to COVID. Or Joe, a military father, and his son Austin, who's battling Duchenne muscular dystrophy.

Although this year's Stirrup Hope may look different from previous events, your partnership will help us provide effective equine-assisted therapy exactly when it's needed most. Thanks in advance - we always appreciate your support, but never more than now.

Best wishes for your continuing health and safety,

Edie Dopking, PhD
Founder and Executive Director

Lee Behenksy, CFRE
Deputy Director
