

Stirrup Hope

Dear Quantum Family members,

Our Quantum Leap Farm participants possess strengths, abilities, valor, and wisdom they often don't see in themselves. Much like Hercules, they're too busy going the distance and beating the odds, to recognize their own greatness.

At Quantum, our participants find a place where they belong, a place that gives them a hero's welcome every time they arrive. It's our job to help them identify, acknowledge, and understand how to make the best use of their unique gifts, in a world that often overlooks or underestimates them.

Our theme this year is the story of Hercules and his hero's journey - it so closely parallels that of many of our veterans, pediatric cancer patients, and children and adults with special needs. They too are navigating a difficult journey, trying to find that place where they belong - where they can grow and thrive. Quantum is that place, and our gentle horses and professional staff are here to help them do just that!

When you support Stirrup Hope, you're helping our participants go the distance, and beat the odds. Please join us as we celebrate their journey and their achievements, by partnering with us at Stirrup Hope on Saturday, March 2, 2024. We anticipate over 400 guests will attend again this year, in their myth-meets-cowboy finest, to help maximize the healing impact of equine-assisted therapies.

Together we are like Hercules: we have the power to help others face the world fearless, proud, and strong!

Warmest Regards,
