CHARITY GOLF INVITATIONAL

A 20th Anniversary Celebration

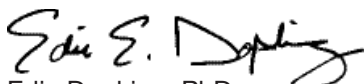

Dear Friends,

We hope this correspondence finds you happy and healthy. These are challenging times and we're looking forward to a little normalcy in our near future! Current public health guidelines do not prohibit golf tournaments, so we're happily moving forward with plans for our **20th Annual Horse Play Charity Golf Invitational, at Innisbrook Resort & Golf Club on Friday, November 6, 2020!** Although our tournament will look a little different this year, it will still be just as fun and impactful as always. And, it will give us an opportunity to come together to support our brave and deserving participants: injured military service members, pediatric cancer patients, kids and adults with special needs and their families.

We always need your support, and especially now! While Quantum Leap Farm is not on the frontlines of fighting this Coronavirus pandemic, we do address ongoing and important needs in our community. People with disabilities experience social isolation, depression and suicidal thoughts at much higher rates than the general population during *normal* times. Pandemic-related practices of social distancing, quarantining and disruption of normal group activities have reduced opportunities for social interaction, and intensified feelings of isolation and loneliness, especially for the disabled population. In our safe outdoor environment at Quantum, people with disabilities are engaged and stimulated, enhancing their physical, intellectual and social well-being. With your help, we'll continue to safely serve our mission - we improve quality of life and cultivate human potential through equine-assisted therapies.

Attached please find our sponsorship package for your review. Sponsorships still come with all the same benefits as in previous years, and this year we've added an extra one: exposure to our virtual audience of over 5,500 people! If you will support us again this year, please complete the attached form and email to Edie Dopking, Edie@QuantumLeapFarm.org or, fax to 813-920-2124, or mail it to the physical address below.

Thanks in advance – your support helps us change lives!
With a deep appreciation,

Edie Dopking, PhD
Founder & Executive Director
