

RETURN TO VOLUNTEERING SAFE AND HEALTHY

PHASE 2 PROTOCOLS are put in place to ensure the safety and health of ALL at Quantum Leap Farm.

STAYCATION

You have taken time off and stayed in the local area.

STANDARD QUESTIONS

- No symptoms
- Maintained social distancing with masks
- Was not around anyone with symptoms or who tested positive within the past two weeks
- Were not exposed to a large group of people (10 or more)

YES to all:

Return to volunteer shift as scheduled

NO to any:

Option 1: Maintain home isolation for 10 days – or 10 days past symptoms – then return to volunteer shift as scheduled

Option 2: Wait 3 days, then visit a medical testing center (not a pharmacy testing site) to have the antigen test performed, and return once a negative result has been provided

TRAVEL OUTSIDE OF THE AREA

You have been outside of your normal routine area and have been exposed to new people and places

Option 1: Maintain home isolation for 10 days, then return to volunteer shift as scheduled

Option 2: Upon travel return, 3 days, then visit a medical testing center (not a pharmacy testing site) to have the antigen test performed, and return to volunteer shift as scheduled once a negative result has been provided

INTERNATIONAL TRAVEL

Mandatory 10 day home isolation before returning to volunteer shift
