

# Program Report 2025

### Mission

Transforming lives by harnessing the healing connection between humans and horses through equine-assisted therapies.

### Vision

A world where everyone can soar to their highest potential.

### Programs

Our comprehensive equine-assisted therapy programs produce physical, social and mental health benefits for our participants.

## Units of service through our 6 main equine-assisted therapy programs:

**9,093**  
1/2 HR Units of Service

- 

**Therapeutic Riding - 1,550 units**  
Each session involves instruction in horseback riding and horsemanship skills. Sessions are facilitated by therapeutic riding instructors.
- 

**Mental Health (EASE, Equine-Assisted Self-Exploration) - 3,080 units**  
Facilitated by licensed mental health professionals. Individuals or groups participate in sessions designed to cultivate personal growth and development.
- 

**Hippotherapy (Physical & Speech Therapy) - 879 units**  
Facilitated by a licensed physical therapist and/or speech language pathologist certified in equine-assisted therapy. Sessions are designed to improve functional abilities and increase independence through equine movement and behavior.
- 

**Military Retreats (WMAE, Warrior Mission: At Ease) - 2,464 units**  
Five-day therapeutic retreats for veterans facilitated by a team of licensed mental health professionals. Retreats feature equine-assisted therapies and other cutting-edge best practices in mental health.
- 

**Family Fun Days - 744 units**  
Activities at the farm providing valuable peer-to-peer support and quality recreational time with friends and family members.
- 

**BEST, Basic Equine Skills Training - 376 units**  
Vocational program facilitated by a therapist that allows adolescents and adults with disabilities to develop life skills while working with their equine friends.
